Much discussion about several different topics.

The yard sale was successful and discussion about perhaps teaming up with the Mountain View Church and combine the doodlebug pull.

Notification of dues needs to be done, emails will be sent. Dues will remain at \$10. There is maintenance on the signs and there was discussion about charging a maintenance fee of \$2 to everyone with a name on a sign.

Out of a list of 121 member email addresses there are about 40 addresses that no longer work. This is a significant number especially when considering membership dues reminder email. We will consider a mailing of all members whose email address is bad.
